

VALE HEALTHCARE DOOR

The Vale Healthcare Door has been developed for the healthcare sector by working closely with clinical teams and experts in mental healthcare – ensuring the product is safe, secure and promotes recovery.

VALE HEALTHCARE DOOR

We have developed a full range of internal doors for the healthcare sector to supply solutions for all patient and non-patient areas, giving you peace of mind across the whole building.

Our door sets arrive on site fully finished and built, with ironmongery and locks in place, ready to be installed.
